

PRODUCT INFO

ROLLER MATERIAL CUTTER

OL45C

45
mm

DESCRIPTION

The OLFA 45mm Roller Material Cutter is ideal for cutting rolled materials like carpet, linoleum, etc. Its solid base protects the surface beneath while the heavy-duty ABS handle ensures a comfortable grip, even with gloves. The flat base glides smoothly for precision cutting without causing damage to substrate and cargo. Featuring a fixed blade with 12 cutting points, it allows for extended use with fewer blade changes. When a section gets dull, loosen the wing-nut screw, and rotate the blade slightly for a fresh cutting edge. The screw design also provides fast and efficient tool-free blade changes.

FEATURES

- Designed for cutting rolled materials like carpet, linoleum, and fabric.
- Solid base protects the surface below the cut.
- Heavy-duty ABS handle with a large, comfortable grip.
- Flat base glides smoothly for precision cutting.
- Fixed blade with 12 cutting points for extended use.
- Easy tool-free blade changes via wing-nut screw.
- Tungsten Steel rotary blade.

USE WITH

OLRB45-10 Replacement Blade

BARCODE: 091511400564

MODEL: 45-C

HANDLE MATERIAL: ABS

KNIFE SIZE: 190 x 85 x 20mm

BLADE SIZE: Ø 45mm x 0.3mm

CUTTING EDGES: 12

BLADE QUANTITY: 1

PACKAGING: Blister Packed

WEIGHT (IN PACKAGING): 124g
