TOOL MOUNT FOR BOSCH

BM-TMBO18BLK4

DESCRIPTION

StealthMounts Tool Mounts for Bosch ProCORE & Professional cordless tools keep your tools organised and right where you need them. Tools are held securely using our Snap-Fit system, simply slide your tool onto the holder until you hear a click. Made in Great Britain our Bosch ProCORE & Professional Tool Mounts are made using extremely durable injection moulded ABS plastic with countersunk screw holes to allow for secure mounting. Ideal for keeping track of your tools and staying organised. They can be mounted at any distance from one another and in small spaces for maximum workshop efficiency. Rated for use in your workshop and under shelves. They can be used in tool trailers or in your work vehicles with due care. Easily release your tool by pulling it off the mount. Available to match your colour coded Bosch ProCORE & Professional platform.
