SQUARE CHALKSTICKS

VN48P

DESCRIPTION

Introducing Vinco Chalksticks – the ideal tool for your marking and measuring needs! Whether it's metal, cement, brick, or stone, these chalksticks deliver precise lines effortlessly. They're designed to wash off easily without leaving any stubborn marks behind. With their large, chunky square size, they provide a comfortable grip for accurate application. Each box contains 48 chalksticks, proudly manufactured in Christchurch, New Zealand.

FEATURES

- Great for drawing and marking/measuring.
- For use on metal, cement, brick and stone surfaces.
- Easy to wash off and doesn't leave any marks behind.
- The large chunky square size makes it easy to grip and hold.
- Comes in a box of 48.
- Made in New Zealand.
