

PRODUCT INFO

INSULATED COMBINATION PLIER CH348I

DESCRIPTION

Channellock 8" XLT™ Combination Pliers with 1000V Insulated Grip accommodate many unique shapes with their pipe grip design. These sleek, lightweight pliers are made from high carbon U.S. steel with crosshatch teeth for a relentless grip, and our XLT™ Xtreme Leverage Technology reduces hand fatigue for all-day jobs. The insulated grip with a 1000V rating keeps you safe so you can focus on the task at hand.

FEATURES

- Insulated grip with 1000V rating for safety on the job.
- XLT™ Xtreme Leverage Technology increases performance and reduces hand fatigue.
- Laser heat-treated cutting edges last longer.
- Durable, precision-machined knife and anvil style cutting edges ensure perfect mating and superior cutting edge life.
- Crosshatch teeth for tighter grip.
- Pipe grip design accommodates many shapes.
