

PRODUCT INFO

550mm HAND SAW - INSULATION

GM255H22

DESCRIPTION

The G-MAN Premium Insulation Hand Saw is the perfect tool for effortless cutting of insulation material and mineral wool. Its wave-formed edge guarantees precise and efficient cuts, while the diamond ground teeth and hardpoint teeth offer exceptional durability and a longer lifespan. This saw delivers efficient performance with its fast cut capability. The ergonomic soft grip handle enhances comfort during extended use. Crafted with outstanding quality and proudly manufactured in Sweden, the G-MAN Premium Insulation Hand Saw is a dependable and professional-grade tool for all insulation cutting needs. Proudly manufactured in Sweden.
