

PRODUCT INFO

'KAKADU' TOOL BELT

TWWG31010

DESCRIPTION

The BuildPro 'Kakadu' Tool Belt is a premium, hand-crafted tool belt made from full grain leather for maximum durability. It features a 50mm heavy-duty, leather belt, and includes metal D-Rings for attaching shoulder braces for extra support. The belt boasts premium quality hardware, double stitching, and heavy-duty rivets for reinforcement at high-stress points.
