CHISEL & WIRE CUTTER HOLDER

TWWGLBFHNFS

DESCRIPTION

The Buildpro Combined Wire Cutter and Chisel Holder is crafted from full-grain, thick premium leather for maximum durability. Wet-molded to retain its shape, it securely holds chisels with internal reinforcement to prevent cutting through. A steel-welded holder ensures wire cutters stay in place without risk of breakage. Heavy-duty poly-thread stitching and German/Italian rivets provide superior strength. Each piece is hand-finished, edge-dyed, and individually inspected, making it a reliable choice for professionals who demand quality and longevity.

FEATURES

- Constructed from thick premium leather.
- Wet molded to retain shape.
- Steel welded holder will not break.
- Internally reinforced to stop chisel splitting through the seams.
- Poly thread stitched.
- German / Italian rivets are pressure fitted.
- Hand edge dyed.
- Hand finished - Individually inspected.
