

PRODUCT INFO

LINESMAN AND DIAGONAL CUTTING PLIER SET

CHPG2

DESCRIPTION

Twin Pack consists of insulated Linesman Pliers and insulated Diagonal Cutting Pliers. Not all cutting edges are the same -- only Channellock uses precision machined knife and anvil style cutting edges to ensure perfect mating and superior cutting edge life. The Channellock knife and anvil cutters ensure proper cutting edge alignment, resulting in a clean cut every time. The round nose design of the linesman pliers accommodates a wide variety of projects. Insulated to 1000 Volts these pliers are ideal for electrical tradespeople. These genuine Channellock tools are proudly Made in the USA!
