# PERMANENT MARKER

## TWLA70-BK

### DESCRIPTION

The Leaderart Permanent Marker is your ultimate companion for creating bold, enduring marks on various projects. Its Fiber Bullet tip effortlessly produces lines ranging from 1 to 3mm in width, ensuring precision in your work. Crafted with heavy-duty quality, it's up to the task on virtually any surface you choose. The alcohol-based ink is not only waterproof but also offers a longer cap-off time, preventing inconvenient drying out during your creative endeavors. Plus, it's non-toxic and Xylene-free, making it safe for all users. With color options of black, blue, and red, this versatile marker empowers you to add a vibrant touch to your projects, all while delivering exceptional longevity.
