WINDOW SCRAPER

DR111-05

DESCRIPTION

The Draper Retractable Window Scraper is a versatile tool designed for cutting, scraping, trimming, and removing paint from glass. It also serves as a useful aid for general cleaning tasks. Compatible with single-edge razor blades, it comes pre-installed with a blade and includes an extra pack of five spare blades for convenience. The retractable blade mechanism ensures safety by allowing the blade to be pushed back into its durable metal casing. Featuring an outer soft grip for added comfort, this pocket-sized scraper is easy to carry and built to withstand the demands of both worksites and home use.
