SURE SPLIT® WEDGE

E-5

DESCRIPTION

Estwing's Sure Split® Wedge features a unique design that enhances wood splitting efficiency. Its fast tapered head allows for easy and precise starting, aided by a hand-sharpened edge. The wedge's distinctive fins provide additional splitting action by allowing the wedge to continue below the wood line. Crafted from solid American steel, the Sure Split® Wedge combines durability with performance, making it a dependable tool for both professional and home use. Its innovative design reduces effort and improves accuracy, making wood splitting faster, easier, and more effective. Made in the U.S.A.
