TOMAHAWK AXE

E-E6TA

DESCRIPTION

The Estwing Black Eagle Tomahawk Axe is designed for sportsmen, outdoorsmen, and military professionals seeking a lightweight yet powerful tool. Forged in one piece from genuine American steel, it offers unmatched strength and durability. The hand-sharpened edge and pointed tip make it ideal for cutting, chopping, clearing, and breaching tasks. Its perfectly balanced design ensures precision and control, while the patented Shock Reduction Grip® reduces impact vibration by up to 70% for added comfort. Made in the U.S.A., it includes a durable blue nylon sheath with belt loop for safe and easy carrying.
