

## PRODUCT INFO

# FIBREGLASS CLUB HAMMERS

### DESCRIPTION

Estwing Sure Strike® Club Hammers, also known as Drilling Hammers, are built for delivering heavy blows with a short, controlled swing. Designed for striking chisels, punches, star drills, spikes, and hardened nails, they offer exceptional strength and precision. It features a forged steel head that is hardened, tempered, and finished with a blue paint coating. Both faces of the hammer are fully polished and beveled for clean, accurate strikes. The jacketed and textured yellow fibreglass handle provides a secure grip and effective shock absorption. A strong head-to-handle bond ensures long-lasting performance and reliability. Made in Taiwan.

### FEATURES

- Hardened and tempered forged steel head.
- Blue painted finish with polished, beveled faces.
- Textured yellow fibreglass handle for grip and control
- Designed for controlled heavy striking.
- Strong head-to-handle bond for long-term reliability.
