

## PRODUCT INFO

# BRICKLAYER HAMMERS

### DESCRIPTION

The Estwing Bricklayer Hammer features a wider, smooth square striking face and a chisel edge, ideal for setting or splitting bricks, masonry tile, and chipping mortar. Forged in one solid piece of American steel, it delivers exceptional strength and durability. The patented Shock Reduction Grip®—made of bonded and molded nylon-vinyl—minimises vibration by up to 70%, enhancing comfort during extended use. A patented nylon end cap adds durability and are used for setting bricks. With a fully polished head and double-tempered construction, it offers outstanding balance and reliability. Made in the U.S.A.
