20OZ RIP HAMMER

E320S

DESCRIPTION

The Estwing Straight Claw Hammer is made from one solid piece of American steel, offering maximum strength and durability. It is fully polished, with the head and handle forged in one piece for long-lasting performance. The patented Shock Reduction Grip® reduces vibration impact by up to 70%. This nylon-vinyl grip is permanently bonded for comfort and durability. The hammer provides unsurpassed balance and temper for better control. It also features a smooth face, ideal for clean, mark-free striking. Made in the U.S.A.
