CAMPER'S AXE

E44A

DESCRIPTION

Estwing's world famous Camper's Axe is the choice of outdoorsmen everywhere. Both the head and handle are forged in one piece and hand-polished to a beautiful finish. This classic axe offers unsurpassed balance and temper. Its patented Shock Reduction Grip® reduces impact vibration by 70%. The Camper's Axe includes a rugged ballistic nylon sheath with belt loop so it can always have your tool close at hand. It has a tempered 4-in. cutting edge for easy cutting. A must for all campers and outdoorsmen alike! Estwing Axes are proudly forged in the U.S.A. using the finest American steel.
