

PRODUCT INFO

19OZ ULTRA-SERIES RIP HAMMER EB19S

DESCRIPTION

Estwing's Ultra Series Hammer delivers lightweight performance without sacrificing strength. Forged from a single piece of fine tool steel, it ensures long-lasting durability with no welds or joints to fail. Its sleek profile is more aerodynamic than other hammers, and the patented Shock Reduction Grip® reduces vibration by up to 70%. This bonded nylon-vinyl grip provides comfort and durability. A smooth face allows for clean strikes, while an extra nail notch and magnetic starter offer added convenience in tight spaces. Made in the U.S.A.

FEATURES

- Lightweight and aerodynamic design.
- Forged from one piece of fine tool steel.
- Patented Shock Reduction Grip® cuts vibration by up to 70%.
- Durable molded nylon-vinyl handle for comfort.
