

## PRODUCT INFO

# SILVER SNAP-OFF BLADE

## EXTRA HEAVY DUTY

25  
mm

### DESCRIPTION

The OLFA 25mm HB Silver Snap Off Blades are extra heavy-duty, designed for cutting tough materials with ease. Made from premium carbon-tool steel, these blades offer exceptional edge retention and sharpness. Each blade features seven segments with deep-notched grooves, allowing for effortless snapping to reveal a fresh edge when needed. The heat-treated steel ensures durability, making them ideal for demanding tasks. These 25mm blades fit most standard 25mm knives, providing versatility for various cutting applications. Each pack comes in a plastic storage case for convenience.

### FEATURES
