BLACK SNAP-OFF BLADE HEAVY DUTY

18
mm

DESCRIPTION

The OLFA 18mm LBB Ultra-Shap Black Snap Off Blades are heavy-duty, reliable, and exceptionally sharp, ensuring consistent cutting performance. Made from carbon tool steel and enhanced with a dual-honing process, they are 25% sharper than standard silver blades. Each blade features eight segments with deep-notched grooves, allowing for effortless snapping to reveal a fresh edge when needed. The heat-treated steel ensures durability, making them ideal for demanding tasks. These 18mm blades fit most standard 18mm knives, providing versatility for various cutting applications. Each pack comes in a plastic storage case for convenience.
