

## PRODUCT INFO

# STAINLESS STEEL SELF-RETRACTING SAFETY KNIFE

## OLSK12

### DESCRIPTION

The OLFA Semi-Automatic Stainless-Steel Self-Retracting Safety Knife is ideal for food processing environments. Fully metal detectable and NSF Certified, it ensures safety and compliance. Its 100% stainless steel, paint-free design prevents contamination. The spring-activated blade retracts automatically for added protection, while flush vents allow easy cleaning and enhance grip. A lanyard hole provides convenient storage. Designed for both right- and left-handed users, it offers tool-free blade changes. Note: This knife is not intended for cutting food itself. Preloaded with a SKB-2S Stainless Steel Dual-Edge Safety Blade for use straight out of the package. Accepts OLFA Stainless Steel Safety Blades: **SKB-2S, SKB-2S-R**
