

PRODUCT INFO

FOLDING UTILITY KNIFE

GFB494

DESCRIPTION

The GFB Folding Utility Knife is a heavy-duty tool perfect for both work and office environments. Its durable handle, made from tough aluminum with anti-corrosion protection, ensures long-lasting performance. The knife features an auto lockback mechanism for secure use, along with a release button for easy blade opening and closing. It comes equipped with a convenient carry pouch and five spare utility blades. Additionally, the knife has a belt clip and a loop for a lanyard, providing versatile carrying options. The quick change blade mechanism allows for swift and hassle-free blade replacements, enhancing efficiency and safety during use.
