

PRODUCT INFO

AIR DRAIN TESTER KIT PT5003

DESCRIPTION

The Plumtest Air Drain Testing Kit provides a simple and effective way to test drains using air pressure. The kit includes an air drain tester assembly, a 90mm and 100mm aluminium test plug, a double-action pump, and a non-return check valve. The air drain tester easily connects to standard testing plugs, allowing air to be pumped through via the attached airline fitting or Schrader valve. The aluminium test plugs are easy to install and feature two convenient tie-off points. The double-action pump delivers a continuous stream of air, featuring the only brass check valve on the market.

CONTENTS

- Air drain tester gauge.
- 90mm aluminium drain test plug.
- 100mm aluminium drain test plug.
- Pump with hose.
- Non-return check valve.

BARCODE: 9348099001234

MAX PRESSURE: 60kPa / 8.7psi

PLUG DIAMETERS: 90mm & 100mm

HOSE LENGTH: 1.3m

HOSE DIAMETER: 14mm OD / 8mm ID

THREAD: 1/2" BSP

CASE DIMENSIONS: 480 x 330 x 120mm

WEIGHT: 6kg
