

PRODUCT INFO

CUTTING WHEEL FOR STAINLESS STEEL MMX284

DESCRIPTION

Monuments replacement pipe cutter wheels are made from high quality, heat treated steel. Suitable for the 1 & 2A Adjustable Pipe Cutters. Made in Britain.

FEATURES

- High quality, heat treated steel.
- For cutting stainless steel pipes only.
- Suits the 1 & 2A Adjustable Pipe Cutters.
- Made in Britain.

REPLACING WHEEL

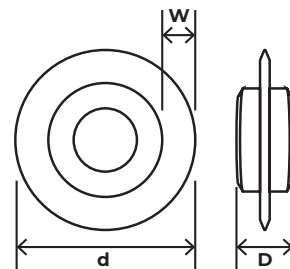

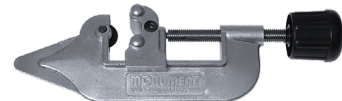

1. Remove the wheel pin using a suitable pin punch.
2. Fit the new wheel, align and drive the wheel pin back into the hole, until flush with pipe cutter body.

MAINTENANCE

Keep the Monument Cutters clean & oiled, avoiding accumulation of fluxes.
