

PRODUCT INFO

REPLACEMENT BLADES

MM100B

DESCRIPTION

Made from durable stainless steel, these replacement blades are designed for use with Monument Autocut® Plastic Pipe Cutters. Suitable for cutting plastic waste pipe and PPR plastic pipe. Supplied in a convenient pack of five, they ensure long-lasting performance and clean, accurate cuts. Made in Britain.

FEATURES

- Made of stainless steel.
- For cutting plastic pipes only.
- Suits the Autocut® & PPR Plastic Pipe Cutters.
- Made in Britain.

REPLACING BLADE

1. Remove the screws, separate housing and remove blade.
2. Fit the new blade, replace housing and screws.
