

## PRODUCT INFO

# 13OZ TITANIUM HAMMER E-TIBL

### DESCRIPTION

Power meets precision in a lightweight design as this titanium hammer delivers the striking force of a heavier steel hammer without the added weight. Its magnetic nail starter makes setting nails quick and easy. The Shock Reduction Grip® offers the utmost in both comfort and durability by reducing vibrations caused by impact. Designed with the best balance in the industry, it reduces fatigue so you can work longer with greater efficiency. Made in the U.S.A., this hammer combines lightweight performance with unmatched durability for professionals who demand the best.

### FEATURES

- Patented "locking taper" permanent steel face.
- Lightweight titanium design: powerful striking force without the added weight.
- Optimised balance reduces fatigue for longer, more efficient work.
- Magnetic nail starter in head.
- Patented Shock Reduction Grip®.
- Smooth face ideal for clean, mark-free striking.
