GAUGING TROWEL

GB09349

DESCRIPTION

The Goldblatt Gauging Trowel is crafted from high-grade tool steel that is heat treated and tempered for exceptional durability and strength. Its precisely taper-ground blade ensures perfect balance and flexibility, making it ideal for mixing or “gauging” small amounts of mortar or quick-setting plaster. The trowel features a high-strength two-piece welded blade & handle paired with an ergonomic Pro Soft Grip for a secure, comfortable hold during extended use. Designed for versatility and long-lasting performance, this gauging trowel is an essential tool for any masonry or plastering task.
