

## PRODUCT INFO

# FINISHING TROWEL

### GB06113

### DESCRIPTION

The Goldblatt Finishing Trowel is designed for professional tradesmen who demand precision and durability. Its flexible yet durable spring-steel blade is hardened, tempered, and fastened with stainless-steel rivets for long-lasting performance. A special cross-ground blade with bevel-ground edges delivers a smooth, premium finish with no aggregate popping, helping both pros and beginners work more efficiently. The ultra-strong aluminium-alloy mounting keeps the tool sturdy yet lightweight, while the ergonomic Pro Soft Grip handle provides a firm, comfortable hold and helps reduce fatigue.

### FEATURES

- Hardened and tempered spring steel blade.
- Stainless-steel rivet fastening for strength.
- Cross-ground blade with bevel-ground edges.
- Aluminium-alloy mounting - sturdy yet lightweight.
- Ergonomic Pro Soft Grip handle reduces fatigue.
- Provides premium finish with no aggregate popping.
