

PRODUCT INFO

POINTING TROWEL

GB09348

DESCRIPTION

The Goldblatt Pointing Trowel is built from high-grade tool steel that is heat-treated and tempered for long-lasting durability and strength. Its precisely taper-ground blade provides excellent balance and flexibility, while the high-strength two-piece welded blade and handle ensure reliable performance on the job. Designed for versatility, this trowel is ideal for patching cracks and shaping joints in brick, stone, and concrete block. The ergonomic Pro Soft Grip handle offers a firm, comfortable hold, allowing for improved control during detailed masonry work.
