

PRODUCT INFO

3-IN-1 DRYWALL TOOL

GB05024

DESCRIPTION

The Goldblatt 3-in-1 Drywall Tool is a smart, space-saving solution for tradies who want to carry less without sacrificing performance. Designed to function as a lifter, rasp, and carrier, it reduces the need for multiple tools on the job. The integrated non-clogging rasp delivers smooth, efficient shaping, while protective guides help maintain clean, accurate edges. Use it to lift standard-sized drywall sheets with ease or carry smaller drywall and plywood panels securely. Lightweight and compact, it fits comfortably in your pocket.

FEATURES

- 3-in-1 design: lifter, rasp, and carrier in one tool.
- Lifts standard-sized drywall sheets with ease.
- Carries small drywall or plywood panels securely.
- Non-clogging rasp with protective guides.
- Lightweight and compact - fits in your pocket.
