SOLID BLADE

HEAVY DUTY

**18
mm**

DESCRIPTION

The OLFA 18mm LB-SOL Solid Silver Blades are heavy-duty, reliable, and exceptionally sharp, ensuring consistent cutting performance. Made from premium carbon-tool steel, these blades offer exceptional edge retention and sharpness. It's solid extended reach design provides full-length cutting power for deeper cuts on thick materials. Control the depth of each cut with the option for full blade extension when you need it. The heat-treated steel ensures durability, making them ideal for demanding tasks. These 18mm blades fit most standard 18mm knives, providing versatility for various cutting applications. Each pack comes in a plastic storage case for convenience.

FEATURES

- Heavy-duty and sharp for consistent performance.
- Made from premium carbon-tool steel.
- Extend for deeper cuts.
- Great for thick materials like foam insulation.
- Heat-treated for durability and strength.
