PIPE CUTTER

ZE7477-1

DESCRIPTION

The Zenten “Kompakt+ Quick” Pipe Cutter is the ultimate solution for precise cutting of thin-walled metal pipes like aluminium, copper, and Inox. Featuring a cutting wheel of alloy steel with special geometry, it slices through pipes up to 6mm thick effortlessly. Its lightweight yet robust aluminium body ensures ease of handling, while the ergonomic knob guarantees comfort during use. The ICS-System allows instant wheel changes without tools, and the fully removable NOGA professional reamer adds convenience. A quick-release system and an adjustable third roller (110mm and 127mm positions) provide excellent pipe guidance for cutting between 110mm and 127mm.

FEATURES

- For thin-walled metal pipes such as aluminum, copper, Inox.
- Designed for cutting pipes with a wall thickness of up to 6mm.
- Cutting wheel made of alloy steel.
- Quick-release system.
- Adjustable 3rd roller in 2 positions (110mm & 127mm) for a better guiding of the tube while cutting.
- Completely removable NOGA reamer.
- Instant blade change without the need for a tool.
