STAINLESS STEEL SLIDE-LOCK UTILITY KNIFE

OLSVR1

9
mm

DESCRIPTION

The OLFA 9mm Stainless Steel Slide-Lock Utility Knife is designed for precision in detail-focused tasks. Its flexible slide-activation allows easy blade depth adjustments while cutting. The durable stainless-steel body ensures stability for safe, accurate cuts and resists rust and corrosion, making it suitable for various environments. Featuring a 13-segment blade, users can easily snap off segments to reveal a fresh, sharp edge. Tool-free blade changes provide added convenience, saving time and enhancing productivity. The integrated pocket clip with a slit offers added functionality for blade snapping. Preloaded with a 9mm AB-S Stainless Steel Snap Off Blade for use straight out of the package. Accepts all OLFA 9mm Precision Blades: **AB, ABB, AB-S, AB-SOL**
