mm

DESCRIPTION

The OLFA 9mm Steel Slide-Lock Utility Knife is a precision tool designed for detail-focused cutting tasks. Its slim steel frame allows for efficient cuts in tight spaces, while its flexible slide-activation allows easy blade depth adjustments while cutting. The premium carbon-tool steel blade ensures long-lasting sharpness, with a 13-segment design that allows quick edge renewal—simply snap to reveal a fresh blade. A built-in pocket clip doubles as a blade snapper for convenience, and tool-free blade changes save time, making it a reliable choice for professionals and DIYers alike. Preloaded with a 9mm AB Silver Snap Off Blade for use straight out of the package. Accepts all OLFA 9mm Precision Blades: **AB, ABB, AB-S, AB-SOL**
