CLASSIC SLIDE-LOCK UTILITY KNIFE

OLA2

9
mm

DESCRIPTION

The OLFA 9mm Classic Slide-Lock Utility Knife is designed for precision and ease. Its stainless-steel channel ensures accurate cutting, while its flexible slide-activation allows easy blade depth adjustments while cutting. The slim, pen-like ABS plastic handle offers comfort and control, enhanced by a rubber insert that prevents slipping. The premium carbon-tool steel blade ensures lasting sharpness, and the 13-segment blade can be snapped to reveal a fresh edge. A convenient pocket clip with a slit for snapping blades and tool-free blade changes add to its practicality, making it perfect for detail-focused tasks. Preloaded with a 9mm HB Silver Snap Off Blade for use straight out of the package. Accepts all OLFA 9mm Precision Blades: **AB, ABB, AB-S, AB-SOL**
