GRAPHIC ART KNIFE SET OLAK5

DESCRIPTION

The OLFA Designer Graphic Art Knife is a precision tool designed for detailed cutting tasks. Lightweight and compact, it ensures control and comfort with its contoured, textured grip. The pen-like design suits both right- and left-handed users. It includes 30 high-quality carbon tool steel blades for superior sharpness and longevity, plus a needle tip for punctures. The tapered handle allows for embossing, scoring, and folding. The blade case doubles as a stand and disposal unit. Ideal for paper crafting, modeling, and fine-detail work, this knife offers accuracy and reliability. Compatible with OLFA **KB-5** Graphic Blades.
