

## PRODUCT INFO

# MULTI-PURPOSE ART BLADES

## OLKB

### DESCRIPTION

The OLFA KB Multi-Purpose Art Blades are designed for both professional artists and hobbyists who require precision and accuracy. Made from durable Carbon Tool Steel, these blades offer sharp, clean cuts for a wide range of projects, from detailed paper crafting to model making. Ideal for arts, graphics, crafts, and hobby use, they're perfect for personal or industrial applications. Keep your work safe and organised with the supplied plastic case, which stores both new and used blades. These blades are compatible with OLFA Graphic Art Knives AK-1 & AK-4.
