ROTARY CUTTER

OLRTY2G

45
mm

DESCRIPTION

The OLFA 45mm Straight Handle Rotary Cutter is a must-have for precise and efficient fabric cutting. Equipped with the sharp RB45 Rotary Blade, it maintains a clean edge for quilting, sewing, or crafting projects. Its straight handle fits both right- and left-handed users, while textured grooves ensure a secure grip. The durable tungsten steel blade cuts through flannel, cardstock, leather, and vinyl with ease. A convenient blade guard adds safety between cuts, and the handle's hanging hole makes storage simple. Perfect for creating strips, shapes, and patterns with speed and accuracy.

FEATURES

- 45mm RB45 Rotary Blade stays extra sharp for precise cuts.
- Straight handle suitable for right- or left-handed use.
- Textured grooves provide stable, comfortable grip.
- Blade guard adds safety between cuts.
- Handle hole for easy hanging and storage.
- Ideal for quilting, sewing, and crafting projects.
- Tungsten steel blade, capable of tackling materials such as fabric, cardstock, leather, vinyl, and more.
