

## PRODUCT INFO

# BLADE DISPOSAL CASE OLDC7

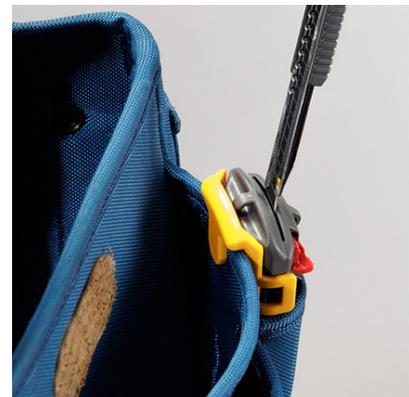

### DESCRIPTION

Keep your workspace clean and your hands safe with the OLFA DC-7 Slim Blade Disposal Case. Designed for pros who use snap-off utility knives daily, this slim, durable case provides a secure way to snap and store used blade segments. The arched snapping slit and sloped guide allow for smooth, controlled blade removal, while the locking cover prevents spillage and enhances user safety. Made from lightweight, acetone-resistant, fiberglass-reinforced composite, the DC-7 fits comfortably in your pocket or clips onto your tool pouch for easy access on the go. Ideal for use with 9mm, 12.5mm, and 18mm snap-off blades.

### FEATURES

- Slim, pocket-ready design with clip for easy carry.
- Arched blade snapping slit with slope guide for smooth removal.
- Secure locking cover prevents spillage.
- Durable, acetone-resistant composite construction.
- Safely stores used blade segments.
- Compatible with 9mm, 12.5mm, and 18mm snap-off blades.
