## DESCRIPTION

The OLFA X-Design Holster with L5-AL Utility Knife delivers durable cutting performance paired with secure, practical storage. The 18mm L5-AL knife features a stainless-steel blade channel, an auto-lock slider, built-in metal pick, and a fibreglass-reinforced, non-slip grip. Preloaded with a 25% sharper Ultra-Sharp Black snap-off blade, this knife ensures clean cuts and quick, tool-free blade changes. The KH-1 holster securely locks the knife in place and releases with a natural squeeze motion. Its adjustable belt loop moves up to 30 degrees for comfort, while the fibreglass-reinforced construction provides strength, durability, and acetone resistance. Holster is compatible with all Olfa 18mm X-design series knives.
