

PRODUCT INFO

BARRICADE TAPES

DESCRIPTION

Stanway Barricade Tapes are designed to clearly mark and secure hazardous areas on job sites and around the home. Made from durable plastic, each roll features bright, high-visibility colour with bold black printed text that is easy to read from a distance. Available in Caution or Danger options, in 100m or 333m rolls. Ideal for job sites, hazard zones, crowd control and home projects.

FEATURES

- Bright, high-visibility plastic tape.
- Easy to read from a distance.
- Ideal for job sites, hazard zones, crowd control etc
- Danger: blocks areas with severe injury or death risk.
- Caution: marks moderate risk areas requiring care.
