

## PRODUCT INFO

# ELECTRICIANS POUCH

## TWWGLBFEP

### DESCRIPTION

The BuildPro Leather Electricians Pouch is a super-robust tool storage solution for professional sparkies. Constructed from high-quality full-grain leather with double-stitched poly thread and heavy-duty rivets for lasting durability. It features two main pockets, multiple smaller tool holders, and a strong chain hook to secure essential gear on the job. Supplied with an adjustable 50mm nylon web belt. The pouch is also compatible with BuildPro leather belts and the BackPro Belt.

### FEATURES

- Full-grain leather construction for long-lasting durability.
- Reinforced with double-stitched poly thread.
- Heavy-duty rivets for extra structural support.
- Two main pockets plus multiple smaller tool holders.
- Chain hook for an easy access to electrical tape rolls.
- Includes adjustable 50mm nylon web belt.

### COMPONENTS

- 1 large pocket
- 1 medium pocket
- 5 small pockets
- 1 chain hook
