NYLON WEB BELT

TWWGLWNAWB

DESCRIPTION

The BuildPro Adjustable Nylon Web Belt is crafted from durable Australian-made nylon webbing, offering a lightweight and reliable option for everyday trade use. Featuring a standard quick-release buckle and a 50mm width, it delivers secure and comfortable wear throughout the workday. Designed for contractors and tradespeople who prefer a minimalist setup, it seamlessly integrates with BuildPro tool pouches and holders. This makes it a versatile, efficient choice for professional tool carrying systems.
