OSCILLATING MULTI-PURPOSE SANDING KIT

AJP70827

7 PC

DESCRIPTION

Jorgensen's Multipurpose Sanding Kit is designed to deliver exceptional results on wood surfaces. This seven-piece multipurpose sanding kit features one 80mm triangle sanding pad and six sheets of sandpaper in 80, 120, and 220 grit. The sanding pad & paper utilizes hook and loop technology for fast and secure paper changes. The Multipurpose Sanding Kit is ideal for paint removal and wood sanding, helping you gain access in hard to reach areas. Featuring a universal-fit open-back connector for compatibility with most major oscillating tool brands, each pack also includes a D-Brand adapter.
