

PRODUCT INFO

SINGLE EDGE RAZOR BLADES

GB03123

DESCRIPTION

Goldblatt Single Edge Razor Blades are designed for reliable scraping performance and fit most standard safety scrapers. Made from high carbon steel with a precision-honed edge, these blades provide long-lasting sharpness for effective removal of wallpaper, paint, adhesives, and debris from surfaces including glass, tile, and floors. The 10-pack provides convenient replacement blades to keep your scraper performing at its best, making them ideal for trade and DIY applications where clean, efficient scraping is required.
