FIVE-POSITION AUTO-LOCK UTILITY KNIFE

OLUTC1

DESCRIPTION

The OLFA Five-Position Auto-Lock Utility Knife delivers comfort, control and versatility for a wide range of cutting tasks. Featuring a fiberglass-reinforced handle with a wraparound rubber grip, it provides a secure and comfortable hold during use. The retractable blade offers five adjustable cutting positions, while the auto-lock blade actuator keeps the blade securely positioned. Supplied with an exclusive SKB-2 Dual-Edge Safety Blade, the reversible slider design allows easy use for both right- and left-handed users. The solvent-resistant body and stainless-steel blade channel provide durability and easy cleaning. Accepts all OLFA Safety / Utility Blades: **SKB-2, RSKB-2, HOB-2, SKB-2S, SKB-2S-R**
