

PRODUCT INFO

LONG GONG SCRUB BRUSH

RV8048

DESCRIPTION

The Raven Long Gong Scrub Brush is designed for demanding cleaning applications where durability and extended reach are essential. Featuring superior hygiene-grade polyester bristles, it is built to withstand boiling water and provide reliable, long-lasting performance. The 400mm handle and long angled bristles provide excellent access to hard-to-reach areas. Ideal for commercial kitchens, food processing facilities, dairies, workshops and general cleaning, this NZ-made scrub brush delivers effective cleaning performance in demanding environments.
