FOLDING UTILITY KNIFE

ARHT01005

DESCRIPTION

The Arrow Folding Utility Knife is forged from high-quality steel for exceptional strength and durability. Its ergonomic handle provides a secure, comfortable grip for improved control and reduced hand fatigue. Positive blade retention eliminates blade wobble, ensuring stable and precise cutting. A quick-release button allows fast, easy blade changes, while the folding blade holder safely stores the blade inside the handle when not in use. A durable wire belt clip and lanyard hole provide convenient carrying options.
