PROCHALK[®] STANDARD

DESCRIPTION

Keson ProChalk Standard is designed for everyday chalk line marking where lines need to be clearly visible without leaving a long-lasting mark. Its balanced formula provides consistent marking performance for a range of interior and exterior applications, while allowing lines to clean up easily or wear away naturally over time. Ideal for interior layouts, roofing, siding and paneling, ProChalk Standard is a practical choice for general construction and trade work. With a Permanence Rank of 1, it offers the lowest level of permanence in the ProChalk range. Proudly made in the USA.
