

PRODUCT INFO

TUCK POINTING TROWEL

DESCRIPTION

The Goldblatt Tuck Pointing Trowel is designed for precise mortar application in tight and confined spaces. It features a premium one-piece drop-forged blade made from high-grade tool steel for strength and durability. The blade is precisely taper-ground to provide a balance of flexibility and control during use. An ergonomic Pro soft-grip handle provides a comfortable, secure grip for improved handling. Built for durability and ease of use, this trowel is suitable for tuck pointing and other detailed mortar work.

FEATURES

- High-grade tool steel, heat treated and tempered.
- Precisely taper-ground blade for balance and flexibility.
- Premium one-piece drop forged blade for strength and durability.
- Ergonomic Pro Soft Grip for comfort and control.
- Designed to make tight mortar jobs easier.
