PRODUCT INFO

BLACK TAPE MEASURE

STFMHT33733

DESCRIPTION

The Stanley FatMax Black 8m Tape Measure is a limited-edition design featuring 99% less yellow for a distinctive black finish. Built for demanding jobsite conditions, it features a high-impact casing with a rubber over-mould for added durability. The patented slide lock provides easy blade locking, while the Mylar polyester-coated blade helps extend blade life. With an 8m measuring length, this tape measure is suited to a range of measuring tasks on the jobsite.
